About UGRAD

Scope International

MSC Malaysia helps to bridge the gap between the supply and demand of Malaysian k-workers. By unlocking the potential of local ICT talent, Malaysia is poised to sustain its competitive-edge as the regional ICT hub.

UGRAD - Scope International is a collaborative programme between MSC Malaysia and Scope International to provide practical training for undergraduates. The objective of UGRAD - Scope International is to create an industry-relevant talent pool for the ICT and Banking industries. Scope International Malaysia is the pioneer partner in the UGRAD initiative.

PROGRAMME OBJECTIVES

- Cultivate a highly skilled workforce for Malaysia's ICT and Banking industries
- Revolutionize ICT and Banking-related courses at Malaysian tertiary institutions through the provision of regular industry input, and the integration of academic lectures with real-time practical training at Scope International's business divisions.
- Prepare young Malaysians to seamlessly enter the highly competitive global ICT and Banking sectors, upon graduation.

PROGRAMME BENEFITS

Upon successful completion of the programme, the participant will have:

- Obtained intensive 'hands-on' and real-time training according to the world-class standards required by a leading international bank.
- Gained knowledge and experience of the Shared Services and Banking industries
- Career opportunity to be absorbed as a Scope International employee*
- Opportunity to work in any of the Standard Chartered offices worldwide on international assignments*

** Subject to Scope International and the Standard Chartered Group's requirements and policies.*

ENTRY REQUIREMENTS

- Malaysian final year undergraduates who are pursuing industry attachment or internship for six (6) months
- Studying for a Degree from primarily ICT / Business / Finance / Management courses
- Successful completion of assessment / pre-test by MDeC and Scope International

ABOUT SCOPE INTERNATIONAL MALAYSIA

Scope International, a wholly owned subsidiary of Standard Chartered Plc., United Kingdom, is the first Global Shared Services Hub of an International Bank in Malaysia.

Established in 2001, Scope International Malaysia is a strategic partner to the Standard Chartered Bank through the provision of a wide range of services from software and systems development, wholesale and consumer banking operations, as well as I.T. and helpdesk services in up to 70 countries worldwide. The company's International Software Centre Malaysia (ISCM) is the largest software development centre in Malaysia. Scope International plans to double its workforce from 2,250 to 4,500 by 2011.

Standard Chartered Plc., listed on both London and Hong Kong stock exchanges, ranks among the top 25 companies in the FTSE-100 by market capitalisation. The London-headquartered Group has offices in 70 countries worldwide and has operated for over 150 years in some of the world's most dynamic markets in Asia, Africa and the Middle East.

MSC MALAYSIA K-WORKERS DEVELOPMENT INITIATIVES

MSC Malaysia K-Workers Development Initiatives (KDI) plays a pivotal role in promoting and positioning Malaysia as a hub for ICT talents through its programmes targeted for undergraduates, fresh graduates and available k-workers. MSC Malaysia KDI has a strong core of existing programmes aligned to national imperatives such as the Undergraduate Skills Program, Graduate Trainee Program, Job Camp and Industry Academia Collaboration.
